

Candlelit Christmas: Decorating with Candles for the Holiday Season

Welcoming friends and family to gather for the Christmas holiday season gives us the opportunity to create a special setting. Candlelight dramatically changes the look of any room - or outdoor area - within moments. There is simply no easier, less expensive, more stylish or effective way to enhance the mood of our living space. The soft glow of candles creates a warm and festive atmosphere, perfect for holiday entertaining. Lush full-color photographs will show candles in all rooms in the house, as well as in table settings and floral arrangements. Twenty easy how-to decorative projects are included. This book will be an inspiration, and a wonderful holiday gift.
