

## Counted Cross Stitch Pattern: Pre-Raphaelite Artists, Flora (Pre-Raphaelite Artists Series)

Flora was painted by Pre Raphaelite artist Evelyn deMorgan and is now available as a counted cross stitch pattern. The pattern uses 22 colors and is 98 squares wide by 240 squares high. All codes are for DMC floss. Every image is PROFESSIONALLY EDITED which means the colors of your finished piece will be brighter, richer and more vivid. You can choose from two formats: stitching by symbol or with a color chart. Its sometimes tough to see your pattern on a Kindle or tablet so we have made it possible to make your charts as large as you wish - see our patterns on a 21 computer monitor and a 48 TV screen.
