Start Creating Your Own Crochet Patterns the Simple Way Get this Amazon e-book today and start learning how to Crochet your own patterns. Read on your PC, Mac, Smart phone, Tablet or Kindle device. Are You Ready to Start Crocheting? Are you prepared for how learning to Crochet can change your life? Learning to crochet may sound like a fun and rewarding experience, but it can lead to serious conditions like Yarn Addiction and Project Frenzy. You may want to make that cute hat you saw the pattern for or the turtle or the scarf, but when you have a closet overflowing with yarn purchases and 40 half-finished Christmas presents scattered through your house, how will you feel then? How will you feel? Wonderful. That said, crochet can be difficult to learn, especially in a classroom setting, because it is hard to see exactly what a stitch is, until you know what a stitch is. The weird thing about Crochet is that sometimes you kind of have to do it before you really understand what it is you're doing. Download this book and let me show you how to get started!
