

Make It You--Your Space: Sew With Style, Easy Step-by-Step Instructions, Uniquely You

Have you ever felt that where you live lacks character, doesn't reflect who you are, or is just plain dull? You'll be surprised how easy it is to turn fabric into decorating magic and cool accessories with this simple, yet fun volume. *Your Space* shows readers how to transform those nondescript spaces into dramatic showplaces. Dress up a wall or ceiling with drapes or wallhangings, or jazz up a bed with a canopy, headboard, or quilt. With quick and easy projects like frames, sink skirts, covered boxes, and vases to tie any room together, even novice sewers can make these projects by following the clear, step-by-step directions.
