

# Managerial Accounting

Recognizing that most students will pursue careers as managers, not accountants, *Managerial Accounting, 5th Edition Binder Ready Version* by James Jiambalvo is designed to teach the fundamental ideas of managerial accounting while making direct connections between managerial accounting, techniques in the business world, and students future careers. Students and instructors alike have praised this texts clear and concise writing style, to-the-point discussions, real world cases, managers insights, illustrated ideas, and examples. *Managerial Accounting, 5th Edition Binder Ready Version* highlights decision making through incremental analysis and stresses that you Get What You Measure in each chapter. This new edition provides students with many opportunities to test their knowledge as they learn the concepts throughout each chapter. This text is an unbound, binder-ready edition. WileyPLUS sold separately from text.
