

DEAD SOLDIER, Issue 3

From acclaimed filmmakers John Moore (Max Payne, Behind Enemy Lines and The Omen) and Richie Smyth, comes the story of Colonel John Donner. Some wars are waged across decades, generations, and even realities. In the tortured trenches of Bellicourt, France something horrible has been conceived. As soldier John Doe struggles to survive, both he and the worn unit that stumble upon him discover a horrifying truth. Amidst this fog of war, when yet another firefight ensues, the merciful are the ones who die by the bullet. Because those who don't fall squarely in Doe's crosshairs and the unfathomable, brutal truth that fuels his being.
