

Glass Bottle Crafts 3.0: Tips, Tools and Creative DIY Project Ideas

Have you been saving empty glass bottles? Do you have a keepsake bottle or a wine bottle with a special label? From your bedroom to your garden or balcony, our glass bottle crafts including lamps, vases, glassware and planters, will add beauty, functionality and charm to your home. Easy to follow instructions for drilling and cutting glass! Create your own table bottle lamps, nightlights and pendant lamps, or turn recycled wine bottles into colorful vases, drinking glasses, plant holders, wind chimes, and even hanging tea candle holders. There are a ton of different uses for empty glass bottles. Express yourself in creative and imaginative ways with this fun and rewarding hobby! Each step is described in detail with color photos to help guide you through the bottle crafting process. A glossary of common bottle craft terms is also included at the end of the Ebook. After reading about all of the awesome bottle craft projects you can do, you will think twice before tossing another unique bottle into the recycling bin ever again. Glass Bottle Crafts 3.0 is an updated version of the Recycled Bottle Lamp print book and includes bottle drilling instructions, glass cutting instructions and many fun project ideas. So... what are you going to do with your empty bottles?
