

## Making Polymer Clay Cards & Tags

These original designs for 24 card and six matching hang-tag designs use the hottest medium in crafting: easy to work with, colorful, and long-lasting polymer clay. Plus, polymer offers three-dimensional beauty when hardened, unlike paper. One hundred and thirty color photographs illustrate card-crafting techniques in action, and there are reusable templates and instructions for fabricating lovely and playful cards for holidays, birthdays, anniversaries, a new baby-virtually any occasion. Create a whimsical frog card welcoming new homeowners to their pad; send Dad a patriotic Stars and Stripes greeting; or congratulate the bride with a Wedded Bliss card shell want to keep forever. Its easy with this expert instruction!
