

## Snowy Owl Tea Cosy Knitting Pattern

A knitting pattern to make your own Snowy Owl Tea Cosy. After adopting an owl at the North Wales Bird Trust, I was inspired to create my new little friend in the form of a tea cosy. I know there are lots of owl tea cosies available, but none have any realism to them and I wanted to create something that looked like the actual owl at the trust. The Snowy Owl makes a lovely tea cosy, he doesn't look the happiest but it is his bed time. The eyes of the owl are yellow safety eyes that have been partially covered with the owl's face to give him eye lids and then semi-closed eyes look. At the back the owl has a little ruffle, symbolic of his tail and wing feathers, and peeping from underneath his tummy are his talons. The Snowy Owl tea cosy is great fun to knit and looks superb on the teapot.
