

Dark Mist Rising (Crossing Over Book 2)

Book Two: Whether its a curse or a blessing the fact remains: whenever Roger is in enough pain he can cross over to the Land of the Dead and speak to the people there. Its an unexpected gift - and one that, throughout Rogers life, has been taken advantage of; by his violent uncle, by the mysterious, malign Soulviners performing their dark magic on Soulvine Moor, and even by a Queen, fighting for her queendom with every possible weapon she can find. But not anymore. The dangerous life of Queens Fool is behind him, young Princess Stephanie sits on the throne, and Roger is living a life of his choosing. He, Maggie and Jee have a small, out of the way, increasingly prosperous inn, supported by their hard work. Its a simple, industrious life ...and its about to be destroyed. The war is not over. The savage invaders are back. And theyre looking for the boy who killed their leader. Theyre looking for Roger.
