

A Message From The Slave State

Everyone gets their message through sometime. Dan Smear is on the run. It wont be long until the Slave State finds him and makes him work in a forced labour enclave for the duration of his pathetic little life. But Smear doesnt know that he has another very real threat in keen pursuit - Denny Carr, the boy from Shell County who just brutally murdered his own father and who now wants bloody vengeance on Smear. Meanwhile Mr M is working as a covert agent for the Slave State and with the promise of a starring role in the hottest new soap opera, hes dedicated to the cause... You cant run away from the Slave State...
