

## Best of humour - Le royaume (French Edition)

Il était une fois un royaume paisible où il faisait bon vivre. C'était un petit pays oublié par ses puissants voisins et leurs guerres incessantes. Un charmant petit bout de terre sur lequel vivaient tout un tas de gens qui, chaque jour, jouissaient de ce que leur offraient la terre et le ciel. Il y a le Roi, bien entendu ; Alain et Adrien, ses fils très laids, mais si gentils et serviables ; la Reine, acariâtre et médisante, Cécile, la princesse qui monopolise la salle de bain, et Anne. La jolie Anne. Anne, qui chante au soleil levant ; Anne, qui enchante les nuits du Roi ; Anne, qui parle aux oiseaux... Anne, elle est tellement jolie, elle est tellement... Anne qui ouvre une taverne où se retrouve tout ce petit monde.
