

Millersville

The Illinois Youth Center in Millersville is a maximum security prison for teenage girls. There are no newspapers allowed in the facility, no internet, no TV news. No way to tell that something in the world on the other side of the fence has gone very wrong. At least not at first. Brendan Detzners short fiction has appeared in Podcastle, Pseudopod, Chizine, One Buck Horror, Tales to Terrify, the Exigencies anthology from Dark House Press, and many other venues. He is the author of two story collections, Scarce Resources and Beasts.
