

Breaking Bad Habits in Dogs: Learn to Gain the Obedience and Trust of Your Dog by Understanding the Way Dogs Think and Behave

Here in words and color illustrations are clear and humane methods for breaking annoying and destructive canine habits, and teaching the family dog lessons it will always remember. The author describes how dogs learn, then emphasizing humane treatment of animals, he explains how to control a dominant dog . . . how to make a dog respond when it is called . . . how to stop excessive barking . . . how to end destruction of furniture and garbage picking . . . how to deal with the dog who steals food . . . how to paper-train and house-train even the most difficult dog, and much more. The book is filled with more than 350 color, time-sequence photos that demonstrate training methods step by step.
