Business insights lead you all the way to what really counts: Managing risk, taking steps forward, employing people. Checking on results, proper escalation and constant growth. **GIVING YOU THE EDGE** The skills to success: Dedication

and the will to succeed let alone are not enough. As many have said before, you got to have passion. Why is that? Cause there will definitely come setbacks, obstacles and hurdles. People tend to give up when there is too much frustration. To endure, you got to find your love, your passion and then monetize it. Apollon will teach you how to spot financial and business opportunities and how to cash-in on them. To get ahead you will learn that you will need to employ people only a team player can win. Team skills are crucial and money alone does not bring great teamwork. Apollon will show you how great CEOs , Fortune 500 leaders and the historys most famous accomplished to get their personnel on track: Team Building Whats effective, what gets results and how to mold them into one productive unit Team Motivation How to get your people working enthusiastically for you Leadership Skills The social skills, insights and understandings you need to develop Group Dynamics Our underlying animal hierarchy determines who gets authentic respect and appreciation: Get an fast, easy and effective inside view on the actions you got to take to be accepted as the Boss not only on the formal level. The detailed insights every leader needs to know on money, power, power games and the social interactions that run not only in front of him- but especially behind his back. Understand how human sexuality drives irrational decisions, how small things in everyday interactions can make the difference by growing exponentially fast into either profitable opportunities or raging bush-fires. And have you ever wondered why those that seem to have it all appear to have made it super-easy overnight? Get the insight look on how things really are behind the curtain. Why most people never heard of the concept of Asymmetric Information how bigger corporations use it to boost their profits in close to shameless ways and how YOU can use it to your advantage in negotiations, agreements and situations that count.
