

Craftsman: Blood Forge (The Advent of the Ard-Ullem) (Volume 1)

Two brothers are thrust into a world where Irish myth and legends come to life. By accident they unleash two brutal princes wielding artifacts of power who resume their age-old struggle for domination. Tasked by the immortal host to correct this blunder, the brothers must unite warring clans to prevent the princes from gaining all five artifacts of the fabled Ard-Ullem, thus fulfilling the dreaded prophecy of the lands destruction. An epic, action-packed adventure, Blood Forge forms the first volume of The Advent of the Ard-Ullem, or High Craft, and will carry the reader into a world of the ancient De Danann unlike any seen before.
