

## Darkness of the God (Children of the Panther)

Six orphaned children from Brazil flee across the Mexican desert, where they ally with a Gypsy family that has strange psychic talents. Keja, the Gypsy girl, against the advice of her family, remains steadfastly loyal to her new friend, even if it is at a tremendous personal cost. Through crisis after crisis, the group manages to narrowly elude their pursuers but inevitably she falls into Caldos hands. Against the idyllic backdrop of Caldos Caribbean island retreat, a spectacular battle ensues, but who will emerge victorious?
