

Degenerescence (Classic Reprint) (French Edition)

Excerpt from Degenerescence Cher et honore Maitre, Je vous dedie ce livre, pour reconnaître bien haut et avec joie que sans vos travaux il naurait jamais pu etre ecrit. La notion de la degenerescence, introduite dabord par Morel dans la science, developpee par vous avec genie, sest, entre vos mains, deja montree extremement feconde dans les directions les plus diverses. Vous avez repandu sur de nombreux chapitres obscurs de la psychiatrie, du droit criminel, de la politique et de la sociologie, un veritable flot de lumiere que seuls nont point percu ceux qui se bouchent les yeux par entetement ou qui ont la vue trop obtuse pour tirer profit dune clarte quelconque. Mais il est un vaste et important domaine ou ni vous ni vos disciples navez encore porte jusquici le flambeau de votre methode: le domaine de lart et de la litterature.
