

Red Centre

In The Middle Of Nowhere, Youre Not Always Alone! They call it... The Red Centre. Deep in the heart of the Australian Outback. Locals have their stories. Many claim to have seen ominous lights in the night sky. Considered crazy, some even testify of loved ones being taken. While backpacking in the Red Centre, Shawn Marshall from Colorado suddenly vanishes during a cell phone conversation with his father. Devastated and with little help from authorities distraught father Chris Marshall, sets out on a desperate journey to Australia to find his 18 year old son. What he finds shocks him to the core. A nonstop chain of events forces him to question if he will ever see his son again. And what took him.
