

CHARLOTTE the Pup BOOK 6 - THE INVISIBLE DRAGONS: DAWGIE TALESTM by J. CHRISTIAN

Charlotte hears and sees things that are very suspicious. To find out what the problem is and how to solve it, Charlotte and her family are sent by Father Wisdom to a hitherto unknown part of The Magical Garden. When they arrive, they meet many illustrious canines from historic and magical times. It is there that they discover the extent of the threat and are given the solution to protect Man and Caninekind. Truly, this is a magical tale of the magic of doggies.
