

Fate Forgotten (The Fated Immortals Series)

Valerie Matlocks life revolves around her coven. Young and naive, she knows little about the immortal war brewing until the night her coven is attacked. In the blink of an eye, the family she loves is gone. Devastated, she lays eyes on the angry demon warrior, Jacob Rhodes. A Guardian, he means her no harm, but she fears him as deeply as she craves him. She has to stay away. She just doesnt know if she can. The pain of Jacobs losses have hardened him. He lives for revenge and uses anger like a shield, keeping everyone at arms length. He cant risk losing more. Tragedy strikes, again, and hes left caring for his four-year-old niece, Annie. The bright girl deserves better than him. But he cant give her up, not ever. When he sets his eyes on his fated mate, the powerful witch, Valerie, his life gets twice as complicated. Will she accept him, a demon she fears and his adopted child?
