

## REVEL for Psychological Testing: History, Principles and Applications -- Access Card (7th Edition)

REVEL for Psychological Testing: History, Principles, and Applications establishes a solid foundation of knowledge about psychological testing, a practice that impacts virtually every corner of modern life from education to vocation to remediation. Covering all variations of testing and exploring social issues that are raised by testing, author Robert Gregory provides readers extensive knowledge about the characteristics, objectives, and wide-ranging effects of psychological testing. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL offers an immersive learning experience designed for the way today's students read, think, and learn. Enlivening course content with media interactives and assessments, REVEL empowers educators to increase engagement with the course, and to better connect with students. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
