

I Heart Superhero Kid: An epic superhero story

From critically acclaimed author Jason Tanamor comes I Heart Superhero Kid. The legacy of Superhero Kid is tested when his family's arch enemy, the Evil Man, plots out major sadness during the city's largest public event - the best pizza pie contest. A city filled with happiness - largely due to the protection of Superhero Kid - the Evil Man challenges the area's beloved hero to a hand-to-hand battle. Lizzy and Carrie, two preteen school girls, obsess over the thought that Superhero Kid may actually be a student at their school. Armed with past yearbooks and determination, the two friends narrow down all the boys in a selfish attempt to reveal the identity of Superhero Kid. On the day of the best pizza pie contest - the event seeing big named celebrities such as Johnny Depp and Brad Pitt, politicians like President Obama and Bernie Sanders, and musicians including The 1975 - the Evil Man makes his move. Taking Lizzy hostage, Superhero Kid arrives to save the day. But not before an epic battle between happiness and sadness. With moves such as snake bite arm twists and Wet Willies, Superhero Kid handles the Evil Man's threat in stride, forcing evil to disappear for good. The city is once again safe, and Superhero Kid is hailed a hero. However, Lizzy is left unfulfilled. That is until she develops a plan. I Heart Superhero Kid is an epic superhero story told in rhyming verse involving a hero, his arch enemy, and a girl with a crazy mad crush.
