

The Caerphilly Castle

Charlie was a typical low achieving teenager with no ambitions, happily drifting through school with his mates, their only aim to drink alcohol and have a good time. Then one day Charlie finds himself on a mysterious train called The Caerphilly Castle. A train whose driver cant be seen, a Victorian guard with a mission for Charlie and passengers who are no longer a part of the land of the living. So begins a journey through a strange twilight world and the past, a journey that involves saving one of Charlies ancestors from dying before theyre supposed to.
