

The Midnight Inferno

When news of an electrical disturbance reaches the Millers Fall Police Department, no one imagined the fate of the officers sent to investigate. Unable to contact their colleagues, the remaining officers plan their own search, but stop as the night sky turns to an amber haze. With five officers missing, Sheriff Mason Palmer is forced to investigate. Anomalies befall the town, worrying its residents. With no explanation of these events, Palmers only lead appears with Mitchum Hoyt, the leader of a backwoods cult living in isolation. As the investigation deepens, Palmer realises the relevance of Hoyts preaching. Theyre coming.
