

## Dispocalypse

In a post-apocalyptic world ruled by a Governor who is both feared and worshipped, Willow is a seventeen-year-old girl who is just trying to get through her last year of studies. But when her father dies, she experiences strange dreams that change everything about how she looks at the world and at herself. Haunted by the tragedy, Willow begins pushing herself beyond anything she could have imagined she was capable of. It's only when she catches the attention of some of the Governor's minions that her world is turned upside-down.
