

More Than Just Words: A Poetic Journey From Pain to Purpose

Are you ready to confront the issues of your past that you have tried to cover up? Its time to shatter the secrecy of sin that has given power to your feelings of guilt and shame. The enemy would have you believe that you are the only one who has experienced what you have gone through; that you are hopeless and helpless; or that God is disappointed in you. That could not be further from the truth! God loves you unconditionally. You are about to embark upon a journey from hurt to healing, from misery to ministry, and from pain to purpose. As you witness the authors transformation through narration and poetry, you too will discover who you really are and give voice to your silent screams. You will be inspired to dream again and encouraged to fulfill your destiny.
