

Outlaw Justice: Book Two of OVERDRIVE (Volume 2)

Life is all about choices. Good, bad or otherwise. Even choosing not to make a choice when presented with a problem counts as a choice. A few months ago Joe made a choice to get involved. Women were going missing in the City of Winnipeg and he knew he had to power to help. Sadly women are still going missing today, but getting involved was a choice that changed his life. Now in spite of his better judgement and desire to simply be left alone, Joe is about about to make another choice. One that he cant refuse. Because a friend asked him for a favour.
