ALRMING TALES is something different in horror comics along with original material, some of the stories were previously published, but with different words and content. With the crackdown on the degenerate, destructive comics of the pre-code era, many stories could not pass the new restrictions, so these older stories were changed, new dialog added and even plots altered. The result is a slightly kinder, gentler horror comic and definitely something different for the horror comic and Golden Age fan. Were bringing you all six issues of this unique comic you can find them as individual issues, or in THE COMPLETE ALARMING TALES --- or find them as part of the 350-page giant volume, CLASSIC COMICS LIBRARY #147! RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION.

These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Many people enjoy these authentic characteristics.
