

Pottery Barn Work Spaces (Pottery Barn Design Library)

A workspace at home has an appeal other offices just cant match. Whether you have a full-fledged home office or use your kitchen or den as an occasional project area, Pottery Barn Workspaces is the essential guide for creating a casual, comfortable environment with as much style as the rest of your home. Packed with creative ideas and design advice, this invaluable sourcebook will help you organize your current workroom or inspire you to transform an office, project room, or potting shed into the ultimate workspace for you and your family. Key Features: - Hundreds of practical decorating ideas and quick styling tips provide a wealth of options for creating attractive, organized workspaces - Real-life workrooms offer ideas for every part of the house, from guest bedrooms that double as offices to sewing rooms - Expert advice shows you the best choices for office furnishings, lighting, and storage, plus at-a-glance galleries of color palettes and materials
