

## National Comics #27

Uncle Sam and Buddy are featured on the cover, which is by Al Gabriele. This issue also has the first appearance of the Unknown, about whom Jim Steranko memorably wrote, he was a hero without a name, without a country and without a shirt. The comic reprints from Escamilla Comics are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available.
