

Eternal Nights-Book 1: Redemption

They Pledged Their Love, Till Death Do Us Part In the first of an electrifying new series, *Eternal Nights Book 1: Redemption*, John and Danielle Wolf are an old married couple who love spending all their time together. They enjoy the movies, dining out and especially all the new games, such as *Mesmerize the Mortal*, *Race the Train* and *Hunt the Werewolf*. For you see, this old married couple tied the knot 900 years ago, and are vampires! Violently turned into creatures of the night on the eve of their wedding, the couples love has kept their humanity alive and has allowed them to fight off the desire to kill for blood. They have survived the centuries due to their incredible ability to adapt and change. But now they are about to face their strongest opponent in nearly a millennia. Ironically enough, its a group known as the *Sword of God*, created by the Pope in the seventh century to defeat the physical manifestations of evil. When the group discovers that Danielle and John are elder vampires and are incredibly powerful, they will stop at nothing to destroy the couple. As an endless stream of heavily armed religious fanatics attempt to kill them, John and Danielle wonder if they will finally be able to find Redemption.
