

Chronicles of a Kingdom Courtship

There are three distinct phases to a Hebraic marriage: courtship, betrothal and wedding.

This little book is written to chronicle those steps taken by John and Kelly Mills as they endeavored to walk it out Gods way: according to the Torah. It would look very different from the worlds way of dating, engagement and marriage. As John and Kelly allowed the Father to order their steps and guide their paths into marriage His way, they discovered that everything they did, every step they took, mirrored Messiah Yeshua (Jesus Christ) and His Bride.
