

SPSS 18.0 Integrated Student Version (18th Edition)

PASW Statistics 18 (formerly SPSS Statistics) puts the power of advanced statistical analysis in your hands. With PASW 18 Integrated Student Version, you can concentrate on learning statistics, not software. PASW Integrated Student Version will expire 13 months from the installation date. To license the PASW 18 Integrated Student Version, you must be a currently enrolled student or an instructor, and using the product for educational purposes only. Installation on a network or in an academic lab is strictly prohibited by the license agreement. This software is available at a significant discount when packaged with any Pearson text, or as a standalone version. If you want to package PASW 18 Integrated Student Version with another Pearson education textbook, please contact your Pearson Representative.
