

Teslagrad (Four Empires War Book 3)

WWI in an alternative Earth where Ivan the Terrible married Good Queen Bess and established the Anglorussian Empire. With Zeppelins. Percy Raleigh, a failed history professor and scribbler of speculative fiction is send on a fools errand to London, Angloterre just as the First World War breaks out between the Empire of Nippon, The Ottomans, Brasil Negro and the Anglorus Empire, ARE. In the final volume, The ARE has begun to turn the tide of the war, have stopped the Japanese on the Silk Road, their Aeroplane industry is up and running, and Percy Raleigh can see a life of just normal stress and strain with his lovely new wife, Galena. Then something impossible happens.
