

Journey to Khodara (The Key of Creation)

Aldrick faces the most difficult decision of his life. Brodan, current regent and his life-long friend, has claimed he is the rightful king, and yet Gilmoure, who is a man with a secret, is the rightful holder of the crown. With the rule of Asturia on the line, who will Aldrick side with? Aldrick and his newfound companions, including a beautiful, mysterious warrior from the exotic desert lands to the south, must then face a long and arduous Journey to Khodara. Journey to Khodara is the 2nd book in the Key of Creation Series, which began with Rise of the Destroyer. The Temple of Kian, which concludes the first trilogy, is scheduled to be released on May 21st, 2013. Join us at www.facebook.com/KeyofCreationSeries.
