

## Powerful Magic

Kenric of Blackstone is tormented. Not entirely human, he cannot live with his past or with that he truly is. When he is needed to help in a battle that could destroy the Earth, it is Megan who gives him strength, Megan whose kisses heal him.... In a strange land and time, it became clear to Megan Potter why shed been summoned. This wasnt about Faerie prophecies or wizardry, or even a desperate struggle to find her way home. This was a quest to save a mans heart. And for the first time ever, she felt destined to prevail, because with her help she knew this handsome prince could discover the most powerful magic of all?love.
