

The Prize Pugs of America and England

This special re-print edition of the First Edition of M.H. Cryers book The Prize Pugs of America and England has not been available to fans of Pug dogs since it first appeared on the scene back in 1891. Mr. Cryers famous work on this breeds offers a unique look at the early history of Pugs at the turn of the 19th century. The devotees of this breeds praise their liveliness, courage, intelligence, loyalty and their appearance. The demand for this rare book has brought forth the much needed reprint of this famous classic work on this breed. The Prize Pugs of America and England will shed considerable light on the history of this wonderful little dog breed and features insights into the famous Pugs of the past who played a critical role in the early development of the breed in England and in the United States. Features pedigrees of many early dogs and is lavishly illustrated with historic drawings of prize winning pugs from America and England. Note: This public domain edition is a perfect facsimile of the original edition and is not set in a modern typeface. As a result, some type characters and images might suffer from slight imperfections or minor shadows in the page background. This edition is reprinted in accordance to Federal Law.
