

Crochet Pattern Vintage Americana Potholders PB101-R

This pattern makes people recollect on the days of deep American patriotism in the late 1940s. Recently, American patriotism has been renewed with the attacks on 9/11. Show your patriotism off with these pretty red, white, and blue colored potholders that are great to use in your kitchen or to give as gifts. This crochet pattern set includes instructions for the following designs: Mitered Corner - About 7" wide and 7" long. Red & White Dress - About 9" wide and 7" long. Shell Round - About 6" round. Red Boxer Shorts - About 7" wide and 4" long. Blue Flower Outline - About 7" round. Red & White Teapot - About 7" wide and 5" long. Oh, Yeah! If you want to use the finished vintage potholder in the kitchen, I suggest lining them with either a store bought potholder or layers of cotton quilt batting. Another idea is to place hot cookware on the backside of your potholder to protect the front from scorch marks. I have seen a few old potholders with a cotton backing added to them showing signs of scorching. The front of the potholder is like new but the back shows all the wear and tear from use.
