

Psychoanalysis. Parts of the Brain applied on the Four Noble Truths and Rites of Passage

Essay from the year 2015 in the subject Psychology - Miscellaneous, , language: English, abstract: This paper associates Buddhists four noble truths with the three parts of the human brain. It also gives insight about Rites of Passage and applies the three parts with the three steps of initiation in many belliefs. It also links the three parts of the human brain with the three stages of intiation in Victor Turners theory about Rites of Passage.
